NOTICE

All my colleagues are informed that contact number and mail id of all teachers have been notified in the College website and all our students have been communicated through 'Group Message'.

Teachers are requested to assist students as much as possible when they receive any call from the students during this period of urgency resulted due to spread of COVID-19 virus.

In addition to above arrangement teachers can also use other communication medium, e.g., formation of whatsapp group, use of Skype, availing conference facility, Google Duo app, Zoom app etc. as both teachers and students will feel convenient and thereby make a sincere effort to extend academic assistance to our beloved students. Youtube is also a very useful medium if any teacher can take the advantage of this.

Wish you and all your family members stay safe.
