Ms. Amrita Bagchi, Resource Person, Leven Squad

Outcomes: 1. The Resource persons talked about the skills pyramid and stressed upon the importance of adopting technology as it is the most democratized field. The good news for the students was that it doesn't require one to have a technical background to learn the modern technologies and progress rapidly in the professional journey.

2. Discussion on Financial Analysis and Data Analytics was also done.

Finance and technology are the two domains that are evolving at light speed. Students from any stream can build their careers in them. Leven Squad – Careers & Curiosity™

Sub: Feedback for Netaji Nagar College based on Career Counselling Session

**Kind Attention: Respected Principal Ms. Amrita Dutta, Respected Convenor - Career Cell
Ms. Kaberi Bhattacharya**

Dear ma'am,

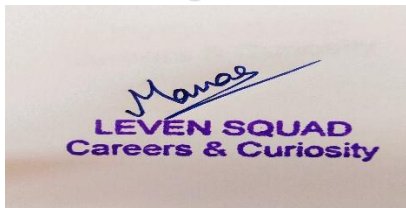

Good day!

We are grateful to Netaji Nagar College for allowing us to conduct the career counselling session on the 2nd of December 2024. It was awesome interacting with your students.

Following is our feedback in general –

1. Netaji Nagar College has a cheerful vibe and an engaging academic environment.
2. All the professors, the students, and the support staff we interacted with were extremely polite and welcoming.
3. A majority of the students who had attended the seminar were attentive and excited about what the future holds for them.
4. They were a little hesitant to ask questions. Some reasons might be as follows –
 - a. Underestimation of their communication skills.
 - b. Fear of public speaking.
5. Students had heard of almost all the modern fields of knowledge and were at par with their peers in other colleges in that respect.
6. With a little grooming towards professional smartness and contemporary skills, they can become some of the most employable graduates from Kolkata and great brand ambassadors for Netaji Nagar College.

Let's work together for something exciting and meaningful!!
