FROM THE DESK OF THE TEACHER-IN-CHARGE

It's a pleasure to speak the truth, as I feel, that I have a family of high heritage and quality. In writing a few words as the Teacher-in-charge of this prestigious institution, I cordially welcome our beloved students, respected guardians, honoured ex-staff members & the alumni including the rest of the stakeholders of the society. I appeal to all of them to remain active components of our prestigious institution and feel free to provide necessary advice & suggestions for us to steadfastly pursue our goal for excellence. I would like to convey the message to the existing Teaching and Non-Teaching staff members including Library staffs and the members of the Students' Union of our institution, that we should continue our commitment of enhancing the standard of academic & extra-curricular activities. On behalf of the Governing Body of the Netaji Nagar College, I deeply acknowledge the active cooperation of all the concerned authorities including the University of Calcutta, Government of West Bengal & University Grant Commission.

As we step into this new academic year, filled with hope and dreams of scaling new heights, I wish to reiterate the fact that the purpose of education is to teach our children to think and develop a capacity to reason out facts. Therefore, our aim is to guide our students to achieve whatever goals they may have in their minds, so that we may be able to discover the particular touch of genius in each one of them.

*Dr. Biswajit Bhadra
Teacher-in-Charge, Netaji Nagar College*
